

Heart Failure Support Group

A monthly support group for anybody living with Heart Failure (HF) and those that care for people who live with HF patients.

This is a chance for you to learn more about your condition, as the group provides information, education, and support from clinical staff at the group meetings.

Thursdays in the Spring Centre

11.15am – 1.15pm

31st October

28th November

19th December

Light refreshments provided
